ORDER

Issued: May 31, 2005

Released: June 1, 2005

An evidence admissions session was conducted as scheduled, on May 26, 2005. *See Order* FCC 05M-21, released April 5, 2005. Documentary exhibits were identified, marked and received in evidence. There were rulings on objections, and certain designated exhibits were stricken as duplicative.

San Francisco Unified School District ("SFUSD"), the renewal applicant, was required to publish local notices of the hearing. *Id.* Publication invited public comment, which will be considered by this fact-finder in preparing an initial decision based on the hearing record. The hearing is scheduled for the week of June 6, 2005. The hearing phase is expected to be completed by close of business on June 9, 2005.¹

Public comments (written) will be considered which are received at the Commission by June 10, 2005. After June 10, 2005, Counsel for SFUSD will compile comments into one Public Comment exhibit, to be marked as SFUSD Exh. No. 74.² By June 20, 2005, SFUSD will move the Public Comment exhibit into the hearing record, to include copies of all written comments which are received at the Commission on or before June 10, 2005.

¹ In order to accommodate out-of-town witnesses, the hearing may extend into June 10, 2005, if needed.

² It is recognized that there may be other re-cross or redirect exhibits received in evidence at the hearing. The numbering for such witness exhibits will start with SFUSD Exh. No. 76, in order to allow for the sequential numbering of public comment and proof of publication exhibits.

SFUSD also shall file and move into evidence by June 20, 2005, as an exhibit marked SFUSD Exh. No. 75, proof of publications of public notices on May 22, 23, 24, and 25, 2005, in accordance with *Order FCC 05M-21*, *supra*.

SO ORDERED.
